

W. H. BATES, trading under the firm name of Central Fixation Publishing Co. Complaint , May 28 , 1929. Order, January 13 , 1931. (Docket 1673. )

Dr. William Horatio Bates won the case, AGAIN. They tried to shut down his business, books many other times. He won all cases.

After he won this final case in 1931; later that year, he died of 'the flu'.

Then; they attacked his wife Emily A. Bates for years, and in 1943 she was forced to change Dr. Bates' book content. (The parts, pictures that prove he and his training, method are correct, healthy, produce clear eyesight without glasses, surgery.)
